

## EMBASSY OF THE UNITED ARAB EMIRATES

UAE EMBASSY  
WASHINGTON, DC

*MARKS, THOMAS ARCHITECTS, COLLABORATING WITH ALLEN & SHARIFF CORPORATION, HAVE RECENTLY BEEN AWARDED THE RETROFIT OF THE EMBASSY OF THE UNITED ARAB EMIRATES IN WASHINGTON DC (UAE EMBASSY) TO ACHIEVE LEED-EB O+M CERTIFICATION. THE BUILDING IS AN EIGHT-STORY STRUCTURE, INCLUDING THREE LEVELS OF UNDERGROUND PARKING AND A POPULATION OF 150 EMPLOYEES. IN ADDITION TO LEED CERTIFICATION, WITH A TARGET OF GOLD OR PLATINUM CERTIFICATION, THE GOALS OF THIS EFFORT ARE TO IMPROVE OCCUPANT COMFORT AND PRODUCTIVITY, IMPROVE THE ENVIRONMENTAL PROFILE AND SIGNIFICANTLY REDUCE UTILITY CONSUMPTION OF THE EXISTING DECADE-OLD EMBASSY BUILDING LOCATED AT 3522 INTERNATIONAL CT, NW, WASHINGTON, DC, 20008.*
