HOSPICE OF CHESAPEAKE
ANNAPOLIS, MARYLAND

THE HOSPICE OF CHESAPEAKE PURCHASED A CAMPUS OF OFFICE BUILDINGS IN ANNE ARUNDEL COUNTY, MARYLAND IN 2011 TO CREATE A NEW CENTER FOR THEIR EXPANDING HOME HOSPICE CARE NEEDS AND TO BUILD A NEW IN-PATIENT HOSPICE CARE FACILITY. MARKS, THOMAS ARCHITECTS CREATED A MASTER PLAN FOR THE SITE WHICH ACCOMMODATES THE PATIENT, THE VISITOR, THE VOLUNTEER AND STAFF.

NEW ENTRY CANOPIES AND TRELLIS WORK ALTER THE EXTERIOR OF THE EXISTING OFFICE BUILDING AND REFLECT THE GARDEN LIKE LANDSCAPE IN THIS NEW CAMPUS. INTERIOR RENOVATIONS INCLUDE A NEW BEREAVEMENT COUNSELING SUITE, NEW VOLUNTEER OFFICE WING AND NEW FLEXIBLE CONFERENCE SPACES. THE IN-PATIENT FACILITY IS SCHEDULED FOR COMPLETION IN 2014.
